The Apple Recycling Program offers free and environmentally friendly disposal of your iPod, Apple Watch and mobile phone with no purchase necessary.

Free iPod, Apple Watch and mobile phone recycling

Apple is committed to responsible environmental citizenship. The recycling program covers your iPod, Apple Watch and any mobile phone. Apple's recycling program makes it easy for you to help protect the environment.

When the time comes for you to recycle, Apple makes it quick and free.

- Print this label and take it along with your iPod/Apple Watch/ mobile phones to your nearest Australia Post location. By printing this label, you accept the Terms and Conditions of Apple's Giveback program.
- Australia Post will provide you with appropriate packaging free of charge.
- All batteries should be completely run down before any items are mailed. This reduces the possibility of items switching on during shipping.
- Any batteries which can be detached from the main phone unit should be placed in a separate envelope.
- Batteries which are corroded, leaking or otherwise damaged must not be posted under this program.
- You are solely responsible for removing all data, including confidential and personal data, from the device prior to shipping. Neither Apple nor the approved partner accepts any responsibility or liability for any lost files or data.
