Terms and Conditions

Your AppleCare Protection Plan ("APP"), AppleCare Protection Plan for iPod ("APP for iPod"), AppleCare Protection Plan for Apple Display ("APP for Apple Display") or AppleCare Protection Plan for Apple TV ("APP for Apple TV"), (each referred to herein as the "Plan") is governed by these Terms and Conditions and constitutes your contract with the Apple entity described in section 7.1 below ("Apple"). Subject to these Terms and Conditions, your Plan (i) covers defects for the Apple-branded product(s) listed in your Plan’s Certificate or Proof of Coverage document ("Plan Confirmation") and the accessories that are contained in the product(s) original packaging ("Covered Equipment"), and (ii) provides you with access to telephone technical support and web-based support resources for the Covered Equipment. To obtain the Plan Confirmation you must register your Plan’s unique agreement or registration number ("Plan Agreement Number") as described in the instructions included in the Plan's packaging. Customers choosing the Auto-Registration option, where available, will automatically receive their Plan Confirmation. The duration of the Plan ("Coverage Period") is for the period ending on the date specified in your Plan Confirmation. The price of the Plan is listed on the Plan’s original sales receipt.

1. Repair Coverage

a. Scope of Coverage. Your coverage for defects begins on the date your Covered Equipment's Apple hardware warranty expires and terminates at the end of the Coverage Period ("Repair Coverage Period"). Apple will provide both parts and labor, but may require you to replace certain readily installable parts yourself, as described below. Apple may provide replacement product or parts that are manufactured from parts that are new or equivalent to new in both performance and reliability. The replacement product or parts will be functionally equivalent to the replaced products or parts and will assume the remaining coverage under the Plan. The products or parts that are replaced become Apple’s property. Apple strongly advises you to record as a back up, data and software residing or recorded in the Covered Equipment, before having the Covered Equipment available for repair or replacement services. The scope of support provided to you will vary according to the Plan you purchased, as follows.

(i) Under APP, Apple covers the Covered Equipment and one compatible Apple branded display if purchased at the same time and registered with a covered Mac computer. An Apple-branded mouse and keyboard are also covered under APP if included with the Covered Equipment (or purchased with a Mac mini). An AirPort Extreme Card, an AirPort Express or AirPort Extreme Base Station, Time Capsule, an Apple-branded DVI to ADC display adapter, Apple RAM modules and MacBook Air SuperDrive are also covered under APP if used with the compatible Covered Equipment and originally purchased by you up to two years before your Mac purchase or during the term of your APP. If during the Repair Coverage Period there is a defect in the materials or workmanship of the Covered Equipment or the other covered items described above, Apple will at its option, repair or replace the affected item.

(ii) Under APP for iPod, Apple will, at its option, repair or replace the affected Covered Equipment, if (a) during the Repair Coverage Period there is a defect in the Covered Equipment’s materials or workmanship or, (b) during the Coverage Period, the capacity of the covered iPod battery to hold an electrical charge has depleted fifty (50%) percent or more from its original specification after being fully charged and the covered iPod is playing music with all settings reset.

(iii) Under APP for Apple Display or APP for Apple TV, Apple will, at its option, repair or replace the affected Covered Equipment, if during the Repair Coverage Period there is a defect in the Covered Equipment’s materials or workmanship. An AirPort Extreme Card, an AirPort Express or AirPort Extreme Base Station and Time Capsule are also covered under APP for Apple TV if used with the
Covered Equipment and originally purchased by you up to two years before your Apple TV or during the term of your APP for Apple TV coverage.

b. Limitations. The Plan does not cover:
   (i) Installation, removal or disposal of the Covered Equipment, or installation, removal, repair, or maintenance of non-Covered Equipment (including accessories, attachments, or other devices such as external modems) or electrical service external to the Covered Equipment;
   (ii) Damage to the Covered Equipment caused by accident, abuse, neglect, misuse (including faulty installation, repair, or maintenance by anyone other than Apple or an Apple Authorized Service Provider), unauthorized modification, extreme environment (including extreme temperature or humidity), extreme physical or electrical stress or interference, fluctuation or surges of electrical power, lightning, static electricity, fire, acts of God or other external causes;
   (iii) Covered Equipment with a serial number that has been altered, defaced or removed;
   (iv) Problems caused by a device that is not the Covered Equipment, including equipment that is not Apple-branded, whether or not purchased at the same time as the Covered Equipment;
   (v) Service necessary to comply with the regulations of any government body or agency arising after the date of this Plan;
   (vi) The provision of replacement equipment during the period when the Covered Equipment is being repaired;
   (vii) Covered Equipment that has been lost or stolen. This Plan only covers Covered Equipment that is returned to Apple in its entirety;
   (viii) Cosmetic damage to the Covered Equipment including but not limited to scratches, dents and broken plastic on ports;
   (ix) Consumable parts, such as batteries, except in respect of battery coverage under APP for iPod or unless failure has occurred due to a defect in materials and workmanship;
   (x) Preventative maintenance on the Covered Equipment;
   (xi) Defects caused by normal wear and tear or otherwise due to normal aging of the product; or
   (xii) Damage to, or loss of any software or data residing or recorded in the Covered Equipment.

When providing repair or replacement service, Apple will use reasonable efforts to reinstall the Covered Equipment's original software configuration and subsequent update releases, but will not provide any recovery or transfer of software or data contained on the serviced unit not originally included in the Covered Equipment. DURING IPOD SERVICE THE CONTENTS OF YOUR IPOD WILL BE DELETED AND THE STORAGE MEDIA REFORMATTED. Your iPod or a replacement iPod will be returned to you as your iPod was configured when originally purchased, subject to applicable updates. Apple may install system software ("iPod OS") updates as part of your service that will prevent the iPod from reverting to an earlier version of the iPod OS. Third party applications installed on the iPod may not be compatible or work with the iPod as a result of the iPod OS update. You will be responsible for reinstalling all other software programs, data and passwords. Recovery and reinstallation of software programs and user data are not covered under this Plan.

c. Service Options. Apple may provide service through one or more of the following options:
   (i) Carry-in service is available for most Covered Equipment. Return the Covered Equipment requiring service to an Apple-owned retail store or an Apple Authorized Service Provider location offering carry-in service. Service will be performed at the location, or the store or service provider may send the Covered Equipment to an Apple repair service location to be repaired. Once you are notified that service is complete, you will promptly retrieve the product.
   (ii) Onsite service is available for many desktop computers if the location of the Covered Equipment is within 50 miles/80 kilometers radius of an Apple authorized onsite service provider located in the United States or Canada. Onsite service is not available for some parts. The service for parts that cannot be repaired by onsite service may be repaired under Do-It-Yourself Parts service as described below. Apple will dispatch a service technician to the location of the Covered Equipment.

APP NA v.5.3
Service will be performed at the location, or the service technician will transport the Covered Equipment to an Apple Authorized Service Provider or Apple repair service location for repair. If the Covered Equipment is repaired at an Apple Authorized Service Provider or Apple repair service location, Apple will arrange for transportation of the Covered Equipment to your location following service. If the service technician is not granted access to the Covered Equipment at the appointed time, any further onsite visits may be subject to an additional charge.

(iii) Direct mail-in service is available for most Covered Equipment. If Apple determines that your Covered Equipment is eligible for mail-in service, Apple will send you prepaid way bills (and if you no longer have the original packaging, Apple may send you packaging material) and you will ship the Covered Equipment to Apple’s repair service location in accordance with its instructions. Once service is complete, the Apple repair service location will return the Covered Equipment to you. Apple will pay for shipping to and from your location if all instructions are followed.

(iv) Do-It-Yourself Parts service is available for many Covered Equipment parts, allowing you to service your own product. If Do-It-Yourself Parts service is available in the circumstances, the following process will apply.

(A) Do-It-Yourself Parts service where Apple requires return of the replaced part. Apple may require a credit card authorization as security for the retail price of the replacement part and applicable shipping costs. If you are unable to provide credit card authorization, Do-It-Yourself Parts service may not be available to you and Apple will offer alternative arrangements for service. Apple will ship a replacement part to you with installation instructions and any requirements for the return of the replaced part. If you follow the instructions, Apple will cancel the credit card authorization, so you will not be charged for the part and shipping to and from your location. If you fail to return the replaced part as instructed or return a replaced part that is ineligible for service, Apple will charge the credit card for the authorized amount.

(B) Do-It-Yourself Parts service where Apple does not require return of the replaced part. Apple will ship you free of charge a replacement part accompanied by instructions on installation and any requirements for the disposal of the replaced part.

(C) Apple is not responsible for any labor costs you incur relating to Do-It-Yourself Parts service. Should you require further assistance, contact Apple at the toll-free telephone number listed below.

Apple reserves the right to change the method by which Apple may provide repair or replacement service to you, and your Covered Equipment’s eligibility to receive a particular method of service, including but not limited to onsite service at any time. Service will be limited to the options available in the country where service is requested. Service options, parts availability and response times may vary according to country. You may be responsible for shipping and handling charges if the Covered Equipment cannot be serviced in the country it is in. If you seek service in a country that is not the country of purchase, you will comply with all applicable export laws and regulations and be responsible for all custom duties, V.A.T. and other associated taxes and charges. For international service, Apple may repair or exchange defective products and parts with comparable products and parts that comply with local standards.

(i) Under APP, Apple will provide technical support for the Covered Equipment, Apple’s operating system software ("Mac OS") and Apple-branded consumer applications pre-installed with the Covered Equipment ("Consumer Software"). Apple will also provide technical support using the graphical user interface for server administration and network management issues on Apple’s operating system server software ("Mac OS Server") pre-installed on a Mac. Apple will provide support for the then-current version of the Mac OS, Mac OS Server and Consumer Software, and the prior Major Release. For purposes of this section, "Major Release" means a significant version of software that is commercially released by Apple in a release number format such as "1.0" or "2.0" and which is not in beta or pre-release form.

(ii) Under APP for iPod, Apple will provide technical support for the Covered Equipment, iPod OS and software applications that are pre-installed with the Covered Equipment (both referred to as "iPod Software") and connectivity issues between the Covered Equipment and a supported computer, meaning a computer that meets the Covered Equipment’s connectivity specifications and runs an operating system that is supported by the Covered Equipment. Apple will provide support for the then-current version of the iPod Software, and the prior supported Major Release.

(iii) Under APP for Apple Display, Apple will provide technical support for the Covered Equipment and connectivity issues between the Covered Equipment and a supported computer, meaning a computer that meets the Covered Equipment’s connectivity specifications and runs an operating system that is supported by the Covered Equipment. Apple will provide support for the then-current version of the operating system that it provides connectivity assistance for under APP for Apple Display, and the prior supported Major Release.

(iv) Under APP for Apple TV, Apple will provide technical support for the Covered Equipment, software applications that are pre-installed with the Covered Equipment ("Apple TV Software") and connectivity issues between the Covered Equipment, a supported computer and a supported television. Apple will provide support for the then-current version of the Apple TV Software and the prior supported Major Release. For purposes of this section, a "supported computer" means a computer that meets the Covered Equipment’s connectivity specifications and runs an operating system that is supported by the Covered Equipment, and a "supported television" means a television that meets the Covered Equipment’s connectivity specifications.

b. Limitations. The Plan does not cover:

(i) Your use of the Mac OS and Consumer Software as server-based applications;

(ii) Issues that could be resolved by upgrading software to the then current version;

(iii) Your use of or modification to the Covered Equipment, the Mac OS, iPod Software, Apple TV Software or Consumer Software in a manner for which the Covered Equipment or software is not intended to be used or modified;

(iv) Third-party products or their effects on or interactions with the Covered Equipment, the Mac OS, Mac OS Server, iPod Software, Apple TV Software or Consumer Software;

(viii) Apple software other than the Mac OS, Mac OS Server, iPod Software, Apple TV Software or Consumer Software as covered under the applicable Plan;
(ix) Mac OS software for servers, except when using the graphical user interface for server administration and network management issues on Mac OS Server pre-installed on a Mac;
(x) Mac OS software or any Apple-branded software designated as “beta”, “prerelease,” or “preview” or similarly labeled software;
(xi) Third-party web browsers, email applications, and Internet service provider software, or the Mac OS configurations necessary for their use, or

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE LIMIT OF APPLE AND ITS EMPLOYEES AND AGENT’S LIABILITY TO YOU AND ANY SUBSEQUENT OWNER ARISING UNDER THE PLAN SHALL NOT EXCEED THE ORIGINAL PRICE PAID FOR THE PLAN. APPLE SPECIFICALLY DOES NOT WARRANT THAT IT WILL BE ABLE TO (i) REPAIR OR REPLACE COVERED EQUIPMENT WITHOUT RISK TO OR LOSS OF PROGRAMS OR DATA, AND (ii) MAINTAIN THE CONFIDENTIALITY OF DATA. FOR CONSUMERS IN JURISDICTIONS WHO HAVE THE BENEFIT OF CONSUMER PROTECTION LAWS OR REGULATIONS, THE BENEFITS CONFERRED BY THIS PLAN ARE IN ADDITION TO ALL RIGHTS AND REMEDIES PROVIDED UNDER SUCH LAWS AND REGULATIONS. TO THE EXTENT THAT LIABILITY UNDER SUCH LAWS AND REGULATIONS MAY BE LIMITED, APPLE’S LIABILITY IS LIMITED, AT ITS SOLE OPTION, TO REPLACE OR REPAIR OF THE COVERED EQUIPMENT OR SUPPLY OF THE SERVICE. SOME STATES OR PROVINCES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO SOME OR ALL OF THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU.

Unless applicable local law provides otherwise, Apple may cancel this Plan if service parts for the Covered Equipment become unavailable, upon thirty (30) days’ prior written notice.
