Get 3 months of Apple One free with the purchase of an eligible iPhone, iPad, or Mac.

Terms and conditions:

- Offer is available for eligible devices for a limited time only.
- Offer is not available to current Apple One subscribers, or to previous Apple One subscribers who cancelled their subscriptions within the last 60 days before attempting to accept this offer. Offer cannot be combined with any other Apple subscriptions, or other free trials or offers for Apple subscriptions. The Apple One free trial includes only subscriptions that you are not currently using through a free trial or a subscription.
- Only one offer per family, regardless of number of devices purchased. If you select the Apple One Family or Premier tier (where available), you can share your Apple One subscription offer with up to 5 other family members via Family Sharing. The offer does not allow you to switch Apple One tiers during the offer — switching tiers during the offer will end the offer.
- This offer is not available if you or your family have previously accepted an Apple One 3-months-free offer.
- Make sure your device is running the latest iOS, iPadOS, or macOS.
- Offer must be claimed within 3 months after first setting up your new device. To see the offer appear, you will need to sign in with your Apple Account on your new device.
- Upon claiming the offer, you commit to a monthly Apple One subscription at the tier you selected at your region's price per month that starts immediately after the free offer period and automatically renews until cancelled. You can cancel at any time in Settings at least one day before each renewal date. If you cancel during your free offer period, you and your family members will immediately lose access to Apple One and the remainder of your free trial. You can't reactivate this trial.

Eligible devices:

- Any new iPhone, iPad, or Mac capable of running the latest iOS, iPadOS, or macOS from Apple or an Apple authorized reseller.
